PHOTOGRAPHY

May 27, 2008

Dear Parents,

We understand that your child did not have their picture taken, after paying in advance for their photos at the Walker Middle School 2008, 8th Grade Dance.

It is not customary to provide a refund in this situation, since the photographers were on site from 7:00 PM to well after 10:00 PM taking photos & since there was ample time to get photographed throughout that time. **However**, since Walker Middle School's 8th Grade Dance Committee has been a valued customer for the last 2 years, we are prepared to offer you the following solutions:

1. A complete refund, or
2. You can apply the amount towards an individual photo session for your child, or
3. You can apply the amount towards a family photo session for your immediate family.

Items 2 & 3 are normally \$350.00 each - with 2 ea. 8x10's included with the session. We are going to discount both to \$150.00 each, and allow you to apply the amount you've already paid to the discounted price.

. . . so if you've been wanting a family beach portrait – you won't get a better price than this!!

Please respond with your choice (if selecting item #1, please include your full mailing address) via email to: tim@timfannanphotography.com & please indicate in the subject line "WMS-8th Grade Dance".

If you should have any questions or wish to schedule your photo session, please call Tim Fannan Photography at 813.598.2585.

Sincerely,

Tim Fannan
